

ROBERTO DELUXE

Roberto's apartment is fantastic because it's only one minute away from our school. We rent out both rooms in this apartment so you will be living with another student from our school. The apartment is spacious with fast wifi, tv, nice size kitchen and washing facilities. The block is secure and in the best location of Ipanema. You are only a few minutes walk from everything - cool bars, restaurants, the main metro station General Osorio, the famous Ipanema beach, the Hippie market on Sundays and our school!
