

HOMESTAY - MARCIA

Marcia is a super lovely and kind lady living very close to our school. She has a gorgeous little sausage dog who also lives with her. The apartment is big and modern. You have all of the facilities you need and will be close to our school and the beach. The room available has a private bathroom which is great as most of the homes have shared bathrooms only. Marcia has a really beautiful energy and will go out of her way to help you and make you feel at home!
