

HOMESTAY - RITA & PEDRO - ROOM 1

Rita and her Husband Pedro have a beautiful home very close to our school and in the heart of Copacabana. They are a lovely older Brazilian couple who are very accommodating and love to host foreigners. Rita is very softly spoken and loves meeting new students. They have 2 rooms in their big apartment and sometimes host two students. They have a fazenda out of Rio and sometimes like to make trips over the weekend. Their home is warm and inviting and they have everything you need for a nice and comfortable stay!
