

## HOMESTAY - SHIRLEY ROOM 1

Shirley is a wonderful and kind lady and lives super close to our school. She has 2 beautiful dogs and a warm and welcoming home. The location is amazing because you will be one minute from our school and only about 8 minutes walk to the famous Ipanema beach. Shirley likes to make her guests feel at home and is there to help you with any questions you may have. Shirley rents out 2 rooms in her house so it's possible there will be another student living in the house also.
